Addendum to WHC Pool Rules regarding COVID-19 procedures for use of WHC pool

NO PARTIES ALLOWED
 NO ADMITTANCE WITHOUT A WHC POOL PASS
 NO FOOD ALLOWED ANYWHERE IN POOL AREAS
 NO USE OF REC HALL
 FACE COVERINGS ARE REQUIRED TO ENTER AND LEAVE THE POOL AREA

Before entering the pool and as part of the Pool Application, all patrons using the pool must agree and be able to testify to the following :

Access to the pool is not allowed if you can answer yes to any part of the following questions:

- 1-have or have had in the past 24 hours a cough, fever, shortness of breath or other symptoms of illness?
- 2-In the past 14 days, been in close contact with someone suspected or confirmed as having COVID-19?

YOUR POOL PASS should be placed on the table where the pool monitor sits so that your information can be recorded by the pool monitor. Do not touch anything on the pool table. Take your pool pass with you once your information has been recorded.

Social distancing by non-family members must be used at all times in order for the pool to remain open; refusal to follow 6-ft social distancing when on the pool decks, hand sanitizing, and wearing of masks in any tightly confined spaces or when deemed necessary, may result in the closing of the pool.

Please be aware that WHC must adhere to and document hygiene and sanitation requirements from the Centers for Disease Control and Prevention (CDC) and Department of Health (DOH).
