**NOTICE**

Please do not speak to any of the ERRICO landscaping crew. This is for their protection as well that of our residents.

It is not part of their contract, and they have asked us repeatedly to ask the residents to stop talking to them. They will no longer listen so if they walk away from you, this is fair warning.

Call the office with any requests, complaints etc. which is the correct way to communicate with any and all of our vendors.

Thank you,  
Board of Managers
